

## ACKNOWLEDGMENTS

The organizers of Driving Assessment 2011 thank the following individuals and organizations for their support and advice. Without their help we could not have developed this symposium.

Generous funding to support this conference was secured by: Martin Walker and Olu Ajayi, US DOT Federal Motor Carrier Safety Administration; Hiroshi Tsuda, Nissan Technical Center North America, Inc.; James Foley, Toyota Collaborative Safety Research Center; Charles Allen and Ritchie Huang, Honda R&D Americas, Inc; Eric Traube, US DOT National Highway Traffic Safety Administration; Rusty Weiss, DriveCam, Inc.; Ian Noy and William Horrey, Liberty Mutual Research Institute for Safety; Rama Myers, Seeing Machines LTD; Magnus Sjölin, Smart Eye AB; Douglas Evans, DriveSafety, Inc.; Richard Romano and Clayne Woodbury, Realtime Technologies, Inc.; Omar Ahmad, Herm Reininga, and Andrew Veit, UI National Advanced Driving Simulator; George Anderson, HFES Surface Transportation Technical Group; Hamish Jamson, Institute for Transport Studies, University of Leeds; and Richard Pain, Transportation Research Board.

We thank all members of the Scientific Review Committee for their time and effort in evaluating the many full-paper submissions. The Honda Outstanding Student Award Paper Review Committee deserves special thanks for reviewing the student papers considered for the award.

At The University of Iowa, we thank Peter Damiano, Director, Public Policy Center; John Lundell, Deputy Director, Injury Prevention Research Center; Susan McClellan, Creative Media Group; Cher Carney, Lindsay Lafayette, Rudy Marcelino, Rory O'Connell, Michelle Reyes, Alex Sukalski and Matthew Yohe of the Public Policy Center.

In memoriam:

*Stephanie Binder of the US DOT National Highway Traffic Safety Administration has been an important supporter and contributor to the Driving Assessment conferences and to the field of human factors and traffic safety. She will be deeply missed.*

Individuals with disabilities are encouraged to attend all University of Iowa-sponsored events. If you are a person with a disability who requires an accommodation in order to participate in this program, please contact Kathy Holeton, Driving Assessment 2011, in advance at (319) 335-6804.
